

## SMART SUMMARY OF THE ALFC COUPLES RETREAT 2024

1. The event's theme is "marriage and marketplace exploits," focusing on building a winning team as a couple.
2. Marriage is seen as a partnership where different strengths complement each other to achieve greater goals.
3. Life is divided into three stages: survival, success, and significance, with the aim to move beyond mere survival.
4. The marketplace is crucial as it allows individuals to exchange their unique gifts and abilities for mutual benefit.
5. Couples are encouraged to use their "grace of life" to benefit the community and rise to their place in life.
6. The Bible encourages believers to live a life without tension, mind their business, and work diligently.
7. Effective witnessing requires a couple to be successful and respected by non-believers.
8. The event aims to inspire couples to excel in the marketplace and become role models for others.
9. The program includes a video resource, a testimony from a successful businessman, and a panel discussion.
10. Couples are encouraged to bond, reflect, and discuss their lives and teamwork during the event.
11. The event sets the stage for future objectives and themes for the year 2025.
12. Participants are urged to have strategic and operational ambitions, focusing on prosperity with purpose.
13. The importance of understanding money as value and not just currency is emphasized.
14. The event also aims to establish direction for the coming year and encourage online engagement with ministry resources.
15. Participants are reminded to celebrate milestones and achievements in their journey as a couple.
